A Brief History of THE ALUMNI ASSOCIATION

The first graduates of the Apprentice Training System of the Fort Wayne Works completed the machinist course (then the only course offered) in the year 1917. The Apprentice Association was organized during that year and immediately became active, socially and athletically. They had excellent football and baseball teams which made quite a name for themselves among the younger teams of the city.

On June 14, 1920, a meeting was held in Building No. 16-2 for the purpose of organizing an Apprentice Alumni Association. Oscar Weitzman, who was foreman of the Apprentice School at that time, acted as temporary chairman at this meeting. Constant Frank was elected president; Leonard Erickson, vice-president; Clarence Roembke, secretary-treasurer.

In order to build up the treasury it was decided to confer life membership on any one who was brave enough to hazard \$10.00 with the new organization. (In those days \$10 was no meager sum.) Eight such fearless and reckless individuals were found in the persons of George Buckles, Edward Ehrman, George Fries, Harold Jacobs, Harold Koehlinger, Clarence Roembke, John Rosencrance and Lloyd Welbaum.

It was also decided that all those joining before July 28, 1920 would be charter members of the Association. These men are: Joseph Miles, Leonard Roebel, Robert Bangert, Henry Klingenberg, Emanuel Stock, Edward Ehrman, Clarence Roembke, Leonard Erickson, Harold Koehlinger, Lloyd Welbaum, Karl Stahl, Andrew Brunett,

Constant Frank, Norbert Ehinger, Herbert Siebold, Harold Jacobs, Alfred Dickmeyer, Carl Schlenker, Herbert Driftmeyer, John Rosencrance, and Robert Kayser.

Since 1920 the organization has grown and at the present time there are approximately 300 active members which includes graduates from the Electrical-Tester, Toolmaking, Drafting, Pattern Making, and Plumbing courses, as well as the Machinist course. The Alumni Association is one of the most active of the many organizations at the Fort Wayne Works.

During its 40 years of existence the Apprentice Alumni has had many delightful parties and banquets. To some of the members these parties will always be (poker losses are not included) a pleasant memory. There are too many of such occasions to attempt the description of them in this booklet.

The officials of the Alumni Association since its origin to the present time are as follows:
